# SHEEHAN

We, the freshmen of 1979, have started on a venture that is to last for four years. As we progress in our years at Sheehan High we will begin ties of friendships that will last an eternity. The moments that happen at Sheehan may be temporary, but the memories will last forever. We must learn to grow with the changes and challenges that have been brought upon us. We enter Sheehan with our times already changing . . . Changing Times.

I first heard about the A.F.S. scholarship to America at a school assembly. The assembly and the idea of living in such an interesting country for a year strongly appealed to me. I felt a year in another country would give me an excellent opportunity to learn more about myself and other people living in a different lifestyle. The scholarship seemed like a terrific chance to broaden my understanding of America and its' people. This year has been full of new experiences for me. I have gained so many precious memories of America and especially my year at Sheehan that will stay with me forever.

When I return home to New Zealand I will have many good times to share with my friends and family. I sincerely believe this year maybe one of the most special experiences in my life. I carry a heart full of love for the people who made this year so special. To them I say, "Thank you" from the bottom of my heart. I hope future exchange students at Sheehan will have as wonderful a year as I did.

AFS is a club, that brings students from other countries to America and to provide opportunities for American students to live abroad and experience other cultures. The students live in host homes and attend high school with their AFS brother or sister. ## BOYS INTRAMURAL BASKETBALL

For the eighth year in nine intramural basketball seasons, the Fritz's Faculty team won the league championship. The faculty club, lead by the scoring of coaches John Novakowski and Bob Neubauer and the rebounding of Jim O'Connor and Coach Fritz, went unbeaten in league play.

In the key game of the year, coach Novakowski scored 20 points, while Dan Roberts, Paul Reynolds, Gordon Green, Ralph Schlottman, and Bob Neubauer all scored (4) four points to lead the balanced scoring effort. Jim Schlosser had 16 points for the losers; Tom Hall chipped in with 6 points.

Word from the coaches office has it that many of the Fritz's Faculty championship team may retire based on the injuries received in their game against the second placed team. Coaches Farley and Schlottman are scheduled for retirement- BOTH will be drafted and sent to basic training before Afghanistan.

Karen,  
You're always smiling which  
shows you're a really happy  
person. Keep smiling always  
because it makes the world go  
round. I would love to get  
to know you better but  
chances are our paths
